

A 10x10 grid with 10 numbered circles (1-9) and various line segments with arrows, representing a complex network or path. The grid is divided into four quadrants by a vertical line at column 5 and a horizontal line at row 5. The numbered circles are located at the following coordinates (row, column): 1 (2, 4), 2 (8, 10), 3 (1, 9), 4 (4, 1), 5 (6, 5), 6 (3, 6), 7 (7, 8), 8 (2, 2), 8 (9, 4), 9 (3, 7). The line segments with arrows represent connections between these circles and other points in the grid.
