

The puzzle is a 6x6 grid divided into four 3x3 quadrants by a central cross. The numbers and their positions are as follows:

- 7** is in the bottom-left quadrant, at row 4, column 1.
- 3** is in the bottom-left quadrant, at row 4, column 2.
- 4** is in the top-right quadrant, at row 2, column 5.
- 6** is in the bottom-right quadrant, at row 4, column 4.
- 8** is in the bottom-right quadrant, at row 4, column 5.

The grid contains several circles and arrows indicating movement directions. The arrows are as follows:

- Top-left quadrant:
  - Row 1, Column 1: Arrow pointing right.
  - Row 2, Column 1: Arrow pointing right.
  - Row 2, Column 2: Arrow pointing up.
  - Row 3, Column 1: Arrow pointing right.
  - Row 3, Column 2: Arrow pointing right.
  - Row 3, Column 3: Arrow pointing right.
- Top-right quadrant:
  - Row 1, Column 4: Arrow pointing up.
  - Row 1, Column 5: Arrow pointing right.
  - Row 2, Column 4: Arrow pointing right.
  - Row 2, Column 5: Arrow pointing right.
  - Row 3, Column 4: Arrow pointing right.
  - Row 3, Column 5: Arrow pointing right.
- Bottom-left quadrant:
  - Row 4, Column 1: Arrow pointing right.
  - Row 4, Column 2: Arrow pointing right.
  - Row 4, Column 3: Arrow pointing right.
  - Row 5, Column 1: Arrow pointing right.
  - Row 5, Column 2: Arrow pointing right.
  - Row 5, Column 3: Arrow pointing right.
- Bottom-right quadrant:
  - Row 4, Column 4: Arrow pointing right.
  - Row 4, Column 5: Arrow pointing right.
  - Row 5, Column 4: Arrow pointing right.
  - Row 5, Column 5: Arrow pointing right.
  - Row 6, Column 4: Arrow pointing right.
  - Row 6, Column 5: Arrow pointing right.
