

A 6x6 grid puzzle. The grid is divided into four 3x3 quadrants by a vertical line between columns 3 and 4, and a horizontal line between rows 3 and 4. The numbers and their positions are: 2 (row 2, col 1), 4 (row 2, col 5), 6 (row 2, col 6), 7 (row 6, col 3), 8 (row 5, col 6), and 9 (row 6, col 1). Each number is inside a circle. Various line patterns are drawn in the grid cells, some starting from or ending at the circled numbers. The patterns include straight lines, L-shapes, and zig-zags.
