

A 6x6 grid with numbers and arrows. The numbers are: Row 1: (1,3)=3, (1,5)=6; Row 2: (2,4)=9, (2,6)=2; Row 3: (3,3)=9, (3,4)=8, (3,5)=3. The arrows are: Row 1: (1,1) points down, (1,2) points down-left, (1,3) points down-left, (1,4) points down, (1,5) points up-left, (1,6) points up-right; Row 2: (2,1) points up, (2,2) points up-left, (2,3) points up-left, (2,4) points up, (2,5) points down-left, (2,6) points down-left; Row 3: (3,1) points left, (3,2) points left, (3,3) points left, (3,4) points left, (3,5) points left, (3,6) points left; Row 4: (4,1) points left, (4,2) points left, (4,3) points left, (4,4) points left, (4,5) points left, (4,6) points left; Row 5: (5,1) points left, (5,2) points left, (5,3) points left, (5,4) points left, (5,5) points left, (5,6) points left; Row 6: (6,1) points left, (6,2) points left, (6,3) points left, (6,4) points left, (6,5) points left, (6,6) points left.
