

A 3x3 grid puzzle. The grid contains numbers and arrows. The numbers are: 4 (bottom-left), 5 (middle-left), 6 (middle-left, above 5), 7 (middle-right), 8 (middle-right, above 7), and 9 (bottom-right). The arrows are: a horizontal arrow pointing right from the top-left cell; a horizontal arrow pointing left from the top-middle cell; a horizontal arrow pointing right from the top-right cell; a vertical arrow pointing down from the middle-left cell; a horizontal arrow pointing left from the middle-middle cell; a vertical arrow pointing down from the middle-right cell; a horizontal arrow pointing left from the bottom-left cell; a horizontal arrow pointing right from the bottom-middle cell; and a horizontal arrow pointing right from the bottom-right cell.
