

A 3x3 grid puzzle. The grid contains numbers and arrows. The numbers are: 2 in the top-right cell, 5 in the middle-left cell, 4 in the middle-right cell, 9 in the bottom-left cell, and 1 in the bottom-middle cell. The arrows indicate movement paths: from the top-left cell, an arrow points down and another points down-right; from the top-middle cell, an arrow points down-left; from the top-right cell, an arrow points up-left; from the middle-left cell, an arrow points up-left and another points down-left; from the middle-right cell, an arrow points up and another points down-right; from the bottom-left cell, an arrow points up-left and another points down-left; from the bottom-middle cell, an arrow points up-left and another points down-left; from the bottom-right cell, an arrow points up-left and another points down-left.
