

A 3x3 grid puzzle. The grid contains numbers and arrows indicating paths to empty cells. The numbers and their positions are: 7 at (1,2), 1 at (1,3), 5 at (2,3), 2 at (3,3), and 4 at (3,3) (circled). The arrows and their paths are: 7 points to (1,1); 1 points to (1,4) and (2,3); 5 points to (2,4); 2 points to (3,4); 4 points to (3,1) and (3,2).
