

A 3x3 grid puzzle. The grid contains numbers and arrows pointing to empty cells. The numbers are: 3 (row 1, col 2), 4 (row 1, col 1), 5 (row 1, col 3), 6 (row 2, col 3), 7 (row 2, col 2), 8 (row 3, col 2). The arrows are: a vertical arrow pointing down from (1,1) to (3,1); a horizontal arrow pointing right from (1,2) to (1,3); a diagonal arrow pointing down-right from (1,3) to (3,1); a horizontal arrow pointing right from (2,1) to (2,2); a vertical arrow pointing up from (2,2) to (1,2); a diagonal arrow pointing up-left from (2,3) to (1,1); a horizontal arrow pointing left from (3,1) to (3,2); a vertical arrow pointing down from (3,2) to (3,3); a horizontal arrow pointing right from (3,3) to (3,1).
