

A 6x6 grid with 12 numbered circles (1-12) and various line segments connecting them, representing a complex network or path. The grid is divided into four 3x3 quadrants by a vertical line between columns 3 and 4, and a horizontal line between rows 3 and 4. The numbered circles are located at the following grid coordinates (row, column): 1 (1, 5), 2 (6, 6), 3 (6, 4), 4 (3, 4), 5 (4, 6), 6 (1, 6), 7 (6, 1), 8 (3, 3), 9 (4, 5), 10 (2, 3), 11 (2, 1), and 12 (5, 2). Line segments connect the circles in a complex pattern, including horizontal, vertical, and diagonal connections, as well as more complex paths like 1-6-9-12 and 11-10-4-3-9.
