

A 3x3 grid puzzle. The grid is divided into 9 squares. The numbers 1 through 7 are placed in the top-left, top-right, middle-left, middle-right, bottom-left, bottom-middle, and bottom-right squares respectively. The paths are as follows:

- 1:** Starts at the bottom-right square, moves up to the middle-right square, then left to the bottom-middle square.
- 2:** Starts at the top-left square, moves down to the middle-left square, then right to the top-middle square.
- 3:** Starts at the bottom-left square, moves right to the bottom-middle square, then up to the middle-left square.
- 4:** Starts at the top-right square, moves left to the top-middle square, then down to the middle-right square.
- 5:** Starts at the bottom-middle square, moves up to the middle-right square, then left to the bottom-left square.
- 6:** Starts at the middle-right square, moves right to the top-right square, then down to the middle-right square.
- 7:** Starts at the middle-left square, moves left to the top-left square, then down to the middle-left square.
