

A 3x3 grid with numbers 7, 9, and 7 in the top row. The grid contains paths of circles and arrows. The top row has a 7 in the first column, a 9 in the second column, and a 7 in the third column. The middle row has a path starting from the first column, going up, then right, then up, then right, ending at a circle in the second column. The bottom row has a path starting from the first column, going up, then right, then up, then right, ending at a circle in the second column. The rightmost column has a path starting from the top row, going down, then right, then down, ending at a circle in the bottom row.
