

A 3x3 grid puzzle with numbered clues and paths. The grid is divided into three rows and three columns by thick black lines. The clues and their corresponding paths are as follows:

- Clue 1:** Top-left cell. Path: Down 2 cells, then Right 1 cell.
- Clue 2:** Top-middle cell. Path: Left 1 cell.
- Clue 3:** Top-right cell. Path: Down 1 cell, then Right 1 cell.
- Clue 4:** Middle-right cell. Path: Left 1 cell, then Up 1 cell.
- Clue 5:** Bottom-right cell. Path: Up 1 cell, then Left 1 cell.
- Clue 6:** Bottom-middle cell. Path: Right 1 cell.

The paths are indicated by arrows starting from the clue number and ending at the destination cell. The paths for clues 1, 2, 3, 4, and 5 are shown with arrows, while the path for clue 6 is shown with a single arrow pointing right.
