

A 6x6 grid with various numbers and arrows. The grid is divided into four 3x3 quadrants by a vertical line between columns 3 and 4 and a horizontal line between rows 3 and 4. Numbers are placed in specific cells: (1,1)=1, (1,2)=9, (1,3)=4, (1,4)=6, (2,4)=7, (3,5)=9, (4,1)=9. Arrows are placed in various cells, some pointing to numbers and others to empty cells.
