

A 3x3 grid puzzle. The grid contains numbers and arrow patterns in some cells. The numbers are: 2 (top-middle), 5 (middle-left), 6 (middle-middle), 7 (middle-left, above 5), 8 (middle-middle, right of 6), and 9 (bottom-left). The arrow patterns are: top-left (diagonal up-right, diagonal down-left, horizontal left, vertical up), top-middle (vertical up, horizontal right, diagonal down-right), top-right (vertical up, horizontal right, diagonal down-left), middle-left (diagonal down-right, horizontal left, vertical up), middle-middle (diagonal down-left, diagonal down-right, horizontal right), middle-right (diagonal up-right, horizontal right, vertical down), bottom-left (diagonal down-right, horizontal left, vertical up), bottom-middle (diagonal up-left, diagonal up-right, horizontal right), and bottom-right (vertical up, horizontal right).
