

A 6x6 grid puzzle. The grid contains several circles, some of which are numbered. Arrows indicate movement from one circle to another. The numbers and their positions are as follows:

- Circle 1:** Bottom-right corner.
- Circle 2:** Middle-right area.
- Circle 3:** Top-middle area.
- Circle 8:** Bottom-middle area.
- Circle 9:** Top-left and middle-left areas.

The arrows show a path starting from Circle 1, moving up and left to Circle 2, then up and left to Circle 3, then down and left to Circle 8, then down and left to Circle 9, and finally down and left to Circle 9 again.
