

A 3x3 grid puzzle. The grid contains numbers 1 through 6 and arrows indicating movement. The numbers are located at the following positions (row, column): 1 at (2,1), 3 at (1,3), 4 at (1,1), 5 at (2,2), 6 at (2,3), and 6 at (3,3). The arrows indicate the following movements: 1 moves up-right to (1,2); 3 moves up-left to (1,2); 4 moves down to (2,1); 5 moves down to (3,2); 6 at (2,3) moves up to (1,3); 6 at (3,3) moves up to (2,3). The empty cells are (1,2), (2,2), (3,1), and (3,2).
