

The image shows a 3x3 grid of 9 squares. Each square contains a different arrangement of circles and arrows. The circles are numbered 1 through 9. The arrows indicate the direction of movement from one circle to another. The grid is divided into three rows and three columns by thick black lines.

- Top Row:**
 - Circle 1 (top-left) has an arrow pointing down-left.
 - Circle 2 (top-middle) has an arrow pointing up-right.
 - Circle 3 (top-right) has an arrow pointing up-right.
- Middle Row:**
 - Circle 4 (middle-left) has an arrow pointing down-left.
 - Circle 5 (middle-middle) has an arrow pointing down-left.
 - Circle 6 (middle-right) has an arrow pointing down-left.
- Bottom Row:**
 - Circle 7 (bottom-left) has an arrow pointing down-left.
 - Circle 8 (bottom-middle) has an arrow pointing down-left.
 - Circle 9 (bottom-right) has an arrow pointing down-left.
