

The grid is a 9x9 square divided into 3x3 sub-grids by thick lines. The numbers and their positions are as follows:

		2	3					
7		5		1				
2			7			9		3
4	7						8	
		1	3	5			6	7
5			7			2		
8			3	2				
3	1	9	8	4	7			2
						3		

Arrows indicate constraints:
