

A 3x3 grid puzzle. The grid is divided into three columns and three rows. The numbers 1 through 9 are placed in the top-left, middle-left, and bottom-left cells. The paths are as follows:

- 1:** Starts at the bottom-left cell, moves right to the middle-left cell, then right to the middle-middle cell, then right to the middle-right cell, then right to the bottom-right cell.
- 2:** Starts at the top-right cell, moves left to the top-middle cell, then left to the top-left cell, then left to the middle-left cell, then left to the middle-middle cell, then left to the middle-right cell, then left to the bottom-right cell.
- 3:** Starts at the top-middle cell, moves left to the top-left cell, then left to the middle-left cell, then left to the middle-middle cell, then left to the middle-right cell, then left to the bottom-right cell.
- 4:** Starts at the top-right cell, moves left to the top-middle cell, then left to the top-left cell, then left to the middle-left cell, then left to the middle-middle cell, then left to the middle-right cell, then left to the bottom-right cell.
- 5:** Starts at the top-right cell, moves left to the top-middle cell, then left to the top-left cell, then left to the middle-left cell, then left to the middle-middle cell, then left to the middle-right cell, then left to the bottom-right cell.
- 6:** Starts at the top-right cell, moves left to the top-middle cell, then left to the top-left cell, then left to the middle-left cell, then left to the middle-middle cell, then left to the middle-right cell, then left to the bottom-right cell.
- 7:** Starts at the top-right cell, moves left to the top-middle cell, then left to the top-left cell, then left to the middle-left cell, then left to the middle-middle cell, then left to the middle-right cell, then left to the bottom-right cell.
- 8:** Starts at the top-right cell, moves left to the top-middle cell, then left to the top-left cell, then left to the middle-left cell, then left to the middle-middle cell, then left to the middle-right cell, then left to the bottom-right cell.
- 9:** Starts at the top-right cell, moves left to the top-middle cell, then left to the top-left cell, then left to the middle-left cell, then left to the middle-middle cell, then left to the middle-right cell, then left to the bottom-right cell.
