

A 6x6 grid puzzle. The grid contains several circles, some of which are numbered. Each circle has a path of arrows leading from it. The paths are as follows:

- Circle 1** (bottom right): Path goes up-left, left, down, down.
- Circle 2** (middle right): Path goes up-right, right, down, down.
- Circle 3** (bottom middle): Path goes up-left, left, down, down.
- Circle 4** (top right): Path goes left, down, down.
- Circle 5** (middle left): Path goes up-right, right, down, down.
- Circle 6** (top middle): Path goes left, left, down, down.
- Circle 7** (bottom left): Path goes up-right, right, down, down.
- Circle 8** (bottom left): Path goes up-left, left, down, down.
