

A 3x3 grid puzzle. The grid contains numbers and arrows indicating movement paths. The numbers are: 8 (top-left), 2 (top-middle), 3 (top-right), 4 (middle-left), 4 (middle-middle), 3 (bottom-right). The arrows indicate the following paths:
 

- From 8: One arrow points left to the top-left corner, and another points down to the middle-left cell.
- From 2: One arrow points left to the top-middle cell, and another points down to the middle-middle cell.
- From 3: One arrow points left to the top-right cell, and another points down to the middle-right cell.
- From 4 (middle-left): One arrow points left to the middle-left cell, and another points down to the bottom-left cell.
- From 4 (middle-middle): One arrow points left to the middle-middle cell, and another points down to the bottom-middle cell.
- From 3 (bottom-right): One arrow points left to the bottom-right cell, and another points down to the bottom-right corner.
