

A 9x9 grid with 3x3 subgrids. The grid contains numbers and circles. The numbers are: 3 (top-right), 4 (middle), 5 (middle), 8 (top-left), and 9 (bottom-left). The circles are located in various cells, including (1,1), (1,3), (1,5), (1,7), (2,2), (2,4), (2,6), (2,8), (3,1), (3,3), (3,5), (3,7), (4,2), (4,4), (4,6), (4,8), (5,1), (5,3), (5,5), (5,7), (6,2), (6,4), (6,6), (6,8), (7,1), (7,3), (7,5), (7,7), (8,2), (8,4), (8,6), (8,8), and (9,1), (9,3), (9,5), (9,7), (9,9). Arrows indicate movement paths between cells, often forming loops or connecting different parts of the grid.
