

A 6x6 grid with numbers and arrows. The numbers are: Row 1: (1,5)=5, (5,6)=8; Row 2: (2,3)=8, (5,5)=7; Row 3: (3,1)=7, (3,2)=1; Row 4: (4,1)=5. Arrows are placed in various cells, some pointing to numbers. For example, an arrow points from (1,6) to (5,6), and another from (2,4) to (2,3).
