

The image shows a 3x3 grid of 9 squares, each containing a unique geometric pattern. The squares are numbered 1 through 9 in the top row. The patterns are composed of straight lines, circles, and arrows. The patterns are as follows:

- Square 1:** A circle at the bottom-left, a vertical line segment to its right, and a horizontal line segment to its right.
- Square 2:** A circle at the bottom-left, a vertical line segment to its right, and a horizontal line segment to its right.
- Square 3:** A circle at the bottom-left, a vertical line segment to its right, and a horizontal line segment to its right.
- Square 4:** A circle at the bottom-left, a vertical line segment to its right, and a horizontal line segment to its right.
- Square 5:** A circle at the bottom-left, a vertical line segment to its right, and a horizontal line segment to its right.
- Square 6:** A circle at the bottom-left, a vertical line segment to its right, and a horizontal line segment to its right.
- Square 7:** A circle at the bottom-left, a vertical line segment to its right, and a horizontal line segment to its right.
- Square 8:** A circle at the bottom-left, a vertical line segment to its right, and a horizontal line segment to its right.
- Square 9:** A circle at the bottom-left, a vertical line segment to its right, and a horizontal line segment to its right.
