

A 3x3 grid puzzle. The grid contains numbers and arrows indicating paths between circles. The numbers are: 3 (bottom-left), 6 (middle-left), 7 (bottom-right), and 9 (middle-right). The arrows indicate paths between circles. The paths are: 3 to 6, 6 to 9, 9 to 7, and 7 to 3. The circles are located at the intersections of the grid lines.
