

A 6x9 grid with various shapes and numbers. The grid is divided into 54 cells (6 rows by 9 columns). The shapes are as follows:

- Row 0: A black rounded rectangle in the 5th column and a black rectangle in the 8th column.
- Row 1: Empty.
- Row 2: A black circle in the 3rd column and a black circle in the 7th column.
- Row 3: A black rounded rectangle in the 1st column.
- Row 4: Empty.
- Row 5: Empty.

The numbers are located on the left side of the grid, aligned with the rows:

- Row 0: 6
- Row 1: 0
- Row 2: 4
- Row 3: 1
- Row 4: 3
- Row 5: 2
