

A 9x9 grid with numbers 1-9 and paths of circles and lines. The grid is divided into three 3x3 sub-grids by thick black lines. The numbers are placed in the following cells: (1,1)=2, (1,2)=5, (1,3)=8, (1,4)=3, (1,5)=6, (1,6)=5, (1,7)=7, (1,8)=4, (1,9)=8, (2,1)=1, (2,2)=3, (2,3)=4, (2,4)=7, (2,5)=5, (2,6)=8, (3,1)=1, (3,2)=2, (3,3)=7, (3,4)=6, (3,5)=8, (3,6)=1. The paths are composed of circles and lines connecting them. The paths are: 1. (1,1) to (1,2) to (1,3) to (1,4) to (1,5) to (1,6) to (1,7) to (1,8) to (1,9). 2. (2,1) to (2,2) to (2,3) to (2,4) to (2,5) to (2,6) to (2,7) to (2,8) to (2,9). 3. (3,1) to (3,2) to (3,3) to (3,4) to (3,5) to (3,6) to (3,7) to (3,8) to (3,9). 4. (1,6) to (1,7) to (1,8) to (1,9) to (2,9) to (2,8) to (2,7) to (2,6) to (2,5) to (2,4) to (2,3) to (2,2) to (2,1). 5. (1,5) to (1,6) to (1,7) to (1,8) to (1,9) to (2,9) to (2,8) to (2,7) to (2,6) to (2,5) to (2,4) to (2,3) to (2,2) to (2,1). 6. (1,4) to (1,5) to (1,6) to (1,7) to (1,8) to (1,9) to (2,9) to (2,8) to (2,7) to (2,6) to (2,5) to (2,4) to (2,3) to (2,2) to (2,1). 7. (1,3) to (1,4) to (1,5) to (1,6) to (1,7) to (1,8) to (1,9) to (2,9) to (2,8) to (2,7) to (2,6) to (2,5) to (2,4) to (2,3) to (2,2) to (2,1). 8. (1,2) to (1,3) to (1,4) to (1,5) to (1,6) to (1,7) to (1,8) to (1,9) to (2,9) to (2,8) to (2,7) to (2,6) to (2,5) to (2,4) to (2,3) to (2,2) to (2,1). 9. (1,1) to (1,2) to (1,3) to (1,4) to (1,5) to (1,6) to (1,7) to (1,8) to (1,9) to (2,9) to (2,8) to (2,7) to (2,6) to (2,5) to (2,4) to (2,3) to (2,2) to (2,1).
