

The grid is a 9x9 square divided into three 3x3 sub-grids by thick black lines. The top-left sub-grid contains numbers 2, 9, 8, 5, 1, 3, 4, 3, 9 in its cells. The top-right sub-grid contains numbers 9, 3, 8, 6, 2, 7, 3, 8, 6. The bottom-left sub-grid contains numbers 3, 8, 6, 3, 3, 9, 3, 3, 1. The bottom-right sub-grid contains numbers 5, 2, 9, 3, 7, 6, 1. Circles are placed in various cells, and lines connect some of them, indicating they are part of the same group. The puzzle is to determine the numbers in the empty cells based on the given numbers and the connections between circles.
