

A 3x3 grid of a 30-cell puzzle. The grid is divided into three 3x3 sub-grids by thick lines. Each cell contains a number or a circle. The numbers are: (1,1)=9, (1,2)=2, (1,3)=6, (1,4)=8, (1,5)=7, (1,6)=1, (1,7)=5, (1,8)=8, (1,9)=7, (2,1)=9, (2,2)=7, (2,3)=6, (2,4)=9, (2,5)=3, (2,6)=7, (2,7)=9, (2,8)=6, (2,9)=1, (2,10)=3, (3,1)=2, (3,2)=1, (3,3)=3, (3,4)=9, (3,5)=2, (3,6)=7, (3,7)=6, (3,8)=9. The circles are placed in various cells, some connected by lines forming paths.
