

A 6x6 grid with numbers and paths. The numbers are placed in the following cells (row, column): (1,3)=2, (1,4)=3, (1,5)=8, (1,6)=4, (2,2)=3, (2,3)=5, (2,4)=7, (2,5)=5, (2,6)=9, (3,1)=5, (3,2)=1, (3,3)=4, (3,4)=4, (3,5)=8, (3,6)=9, (4,1)=3, (4,2)=4, (4,3)=3, (4,4)=4, (4,5)=7, (4,6)=6, (4,7)=1, (4,8)=4, (5,1)=2, (5,2)=6, (5,3)=3, (5,4)=7, (5,5)=6, (5,6)=1, (5,7)=4. The paths are shown as gray lines connecting circles. Some numbers are circled in gray: (2,6)=9, (3,4)=4, (3,5)=8, (4,3)=3, (4,4)=4, (5,3)=3, (5,4)=7.
