

The image shows a 9x9 grid with a 3x3 subgrid in the top-left. The grid contains numbers 1-9 and a continuous path of gray lines. The path starts at the top-left corner (row 1, col 1) and ends at the bottom-right corner (row 9, col 9). The path is composed of horizontal and vertical segments. The numbers are placed in the grid as follows:

6						9	8	
		4		3		8		
					1		4	9
		2	3	5		8		1
7	1					5		
	7				4	3		8
1		9					2	
			1
