

The grid is a 9x9 square divided into a 3x3 subgrid in the top-left corner. The subgrid is defined by thick black lines. The rest of the grid is a standard 9x9 grid with thin grey lines. Numbers are placed in some cells, and a continuous grey path winds through the grid.

3	4	2		5		7		5
	9	5		8		1		
	3		2			5	7	
		4			8			
					3	8	4	6
4		9		1				
						2	1
