

The grid is a 9x9 Super Sudoku. It consists of three 3x3 regions separated by thick vertical lines. Each region contains a standard 3x3 Sudoku pattern. Numbers are placed in some cells, and others contain a single digit followed by a dot, indicating they are part of a sequence. A path of connected dots is shown across the grid.

			7	8				
		6				7		4
7		8					2	
		3	2		1		6	
						3		
6	4	9	3		8			
						9		1
	3	7		2			4	6
9							7
