

A 9x9 grid with numbers and a path. The numbers are placed in the following cells (row, column): (1,1)=7, (1,4)=1, (1,9)=3, (2,2)=8, (2,5)=4, (2,9)=8, (3,1)=4, (3,2)=7, (3,3)=8, (3,4)=7, (3,5)=2, (3,6)=6, (3,7)=1, (3,8)=2, (4,1)=2, (4,3)=5, (4,6)=6, (4,7)=7, (4,9)=7, (5,1)=8, (5,2)=3, (5,7)=5, (5,9)=6, (6,8)=9. A path of gray lines connects the numbers in the following order: 7, 8, 4, 1, 6, 3, 8, 2, 6, 1, 2, 7, 9, 5, 6, 9.
