

A 9x9 grid with numbers and a path. The numbers are placed in the following cells (row, column): (1,2)=8, (1,3)=4, (1,6)=2, (1,7)=9, (1,8)=6, (1,9)=3, (2,4)=8, (2,7)=4, (2,9)=2, (3,1)=1, (3,2)=4, (3,2)=2, (3,7)=3, (3,8)=7, (3,9)=9, (4,2)=7, (4,1)=3, (4,2)=6, (4,3)=5, (4,7)=3, (4,8)=7, (4,9)=5. A path of grey lines connects the numbers in the following order: 1 (3,1) -> 4 (3,2) -> 2 (3,2) -> 9 (3,8) -> 3 (1,7) -> 6 (1,8) -> 4 (2,7) -> 7 (3,8) -> 3 (4,7) -> 5 (4,3) -> 6 (4,1) -> 3 (4,1) -> 7 (4,8) -> 5 (4,9).
