

A 9x9 grid with numbers and a path. The numbers are placed in the following cells (row, column): (1,3)=3, (1,8)=4, (1,9)=9, (2,1)=8, (2,2)=4, (3,1)=7, (3,2)=3, (3,3)=8, (3,4)=1, (3,5)=7, (3,6)=3, (3,7)=5, (3,8)=2, (3,9)=6, (4,1)=3, (4,2)=6, (4,3)=7, (4,4)=2, (4,5)=4, (4,7)=5, (5,1)=9. A path of grey lines connects the numbers in the following order: 3 (1,3) -> 4 (1,8) -> 9 (1,9) -> 5 (3,7) -> 2 (3,8) -> 4 (4,5) -> 2 (4,4) -> 7 (3,5) -> 1 (3,4) -> 8 (3,3) -> 3 (3,2) -> 7 (3,1) -> 8 (2,1) -> 4 (2,2) -> 3 (1,3).
