

A 9x9 grid with numbers and grey lines. The grid is divided into four quadrants by a vertical line between columns 4 and 5, and a horizontal line between rows 4 and 5. The numbers are as follows:

	1		7	2		8	9	
	6	7			2			
8			3					7
	4			5	1	9		
7						4	6	
	5		1		8		2	
			5					
			9					

Grey lines are drawn on the grid, connecting various cells and forming a complex pattern. The lines are as follows:

- Row 1: A horizontal line from column 3 to column 5.
- Row 2: A horizontal line from column 1 to column 3, and a diagonal line from column 4 to column 5.
- Row 3: A horizontal line from column 3 to column 5, and a diagonal line from column 6 to column 7.
- Row 4: A horizontal line from column 1 to column 3, and a diagonal line from column 4 to column 5.
- Row 5: A horizontal line from column 1 to column 3, and a diagonal line from column 4 to column 5.
- Row 6: A horizontal line from column 1 to column 3, and a diagonal line from column 4 to column 5.
- Row 7: A horizontal line from column 1 to column 3, and a diagonal line from column 4 to column 5.
- Row 8: A horizontal line from column 1 to column 3, and a diagonal line from column 4 to column 5.
- Row 9: A horizontal line from column 1 to column 3, and a diagonal line from column 4 to column 5.
