

A 9x9 grid with numbers and a continuous line. The numbers are placed in the following cells (row, column): (1,1)=6, (1,7)=3, (1,8)=7, (1,9)=9, (2,1)=7, (2,4)=6, (2,5)=5, (2,6)=9, (2,7)=1, (2,8)=5, (3,4)=4, (3,7)=6, (3,9)=3, (4,4)=3, (4,5)=5, (4,9)=3, (5,1)=4, (5,3)=8, (5,4)=7, (5,6)=5, (5,7)=6, (5,9)=7, (6,2)=1, (6,3)=3, (6,4)=2, (6,6)=8. A continuous line is drawn through the grid, starting at (1,3), going up to (1,2), then down to (2,2), (3,2), (3,3), (4,3), (4,4), (5,4), (5,5), (6,5), (6,6), (7,6), (7,7), (8,7), (8,8), (9,8), (9,9), (9,8), (9,7), (9,6), (9,5), (9,4), (9,3), (9,2), (9,1), (8,1), (8,2), (8,3), (8,4), (8,5), (8,6), (8,7), (8,8), (8,9), (7,9), (7,8), (7,7), (7,6), (7,5), (7,4), (7,3), (7,2), (7,1), (6,1), (6,2), (6,3), (6,4), (6,5), (6,6), (6,7), (6,8), (6,9), (5,9), (5,8), (5,7), (5,6), (5,5), (5,4), (5,3), (5,2), (5,1), (4,1), (4,2), (4,3), (4,4), (4,5), (4,6), (4,7), (4,8), (4,9), (3,9), (3,8), (3,7), (3,6), (3,5), (3,4), (3,3), (3,2), (3,1), (2,1), (2,2), (2,3), (2,4), (2,5), (2,6), (2,7), (2,8), (2,9), (1,9), (1,8), (1,7), (1,6), (1,5), (1,4), (1,3).
