

A 9x9 grid with numbers and a path. The numbers are placed in the following cells (row, column): (1,1)=9, (1,4)=2, (1,7)=1, (1,9)=5, (2,1)=6, (2,2)=5, (2,5)=1, (2,8)=9, (2,9)=2, (3,2)=1, (3,7)=8, (3,9)=9, (4,3)=8, (4,4)=9, (4,8)=4, (4,9)=1, (5,1)=3, (5,3)=2, (5,4)=3, (5,5)=8, (5,7)=5, (5,9)=4, (6,5)=5, (6,9)=3. A path of gray lines connects the numbers in the following order: 9 (1,1) -> 5 (2,2) -> 1 (2,5) -> 1 (3,2) -> 8 (4,3) -> 9 (4,4) -> 4 (4,8) -> 1 (4,9) -> 5 (5,7) -> 3 (5,4) -> 8 (5,5) -> 2 (5,3) -> 3 (5,1) -> 6 (2,1) -> 9 (1,1).
