

A 9x9 grid with numbers and a path. The numbers are placed in the following cells (row, column): (1,1)=3, (1,2)=4, (1,3)=3, (1,6)=6, (1,7)=9, (1,8)=2, (2,1)=9, (2,3)=9, (2,4)=2, (2,6)=7, (2,7)=5, (2,8)=3, (3,1)=4, (3,3)=8, (3,4)=3, (3,6)=1, (4,1)=5, (4,2)=4, (4,3)=5, (4,4)=6, (4,6)=3, (4,8)=1, (5,2)=9, (5,3)=2. A path of gray lines connects the numbers in the following order: 3 (1,1) to 4 (1,2) to 9 (1,6) to 2 (1,8) to 5 (2,8) to 3 (2,7) to 7 (2,6) to 9 (2,3) to 2 (2,4) to 3 (2,3) to 9 (2,1) to 4 (3,1) to 8 (3,3) to 3 (3,4) to 6 (3,3) to 5 (4,3) to 6 (4,4) to 3 (4,6) to 1 (4,8) to 9 (4,6) to 2 (4,4) to 4 (4,2) to 5 (4,1) to 9 (5,2) to 2 (5,3).
