

A 6x6 grid for a logic puzzle. The grid contains numbers and paths. Numbers are placed in cells, and paths are drawn through the grid. Some cells are empty, and some contain numbers. The paths are drawn through the grid, connecting numbers and avoiding obstacles.

					9	1	6
1		3	4		6		7
5			9				
2				1	8	4	5
	3					9	
9						4	3
	5	8	6				
		4		5
