

PUZZLE MADNESS

Daily Medium Factor Line Sudoku Puzzle for Wednesday 2nd March 2022

5		4				7	9
			8			1	
	8	9			4		6
	5						
2							4
				3	9	1	7
			3		1		8
	6		4		5	7	
						4	

The puzzle grid contains several factor lines (circles) and their paths:

- A factor line '2' starting at row 4, column 1 and ending at row 4, column 2.
- A factor line '4' starting at row 2, column 3 and ending at row 4, column 8.
- A factor line '8' starting at row 2, column 3 and ending at row 3, column 5.
- A factor line '3' starting at row 6, column 3 and ending at row 6, column 5.
- A factor line '9' starting at row 6, column 3 and ending at row 5, column 6.
- A factor line '1' starting at row 2, column 7 and ending at row 3, column 8.
- A factor line '7' starting at row 5, column 6 and ending at row 6, column 7.
- A factor line '4' starting at row 6, column 7 and ending at row 6, column 8.
- A factor line '5' starting at row 8, column 1 and ending at row 8, column 2.
- A factor line '6' starting at row 8, column 1 and ending at row 7, column 2.
- A factor line '3' starting at row 8, column 1 and ending at row 6, column 3.
- A factor line '4' starting at row 8, column 3 and ending at row 8, column 4.
- A factor line '5' starting at row 8, column 3 and ending at row 7, column 5.
- A factor line '1' starting at row 8, column 3 and ending at row 6, column 6.
- A factor line '8' starting at row 8, column 3 and ending at row 5, column 8.
- A factor line '7' starting at row 8, column 3 and ending at row 6, column 7.
- A factor line '9' starting at row 8, column 3 and ending at row 5, column 6.
- A factor line '1' starting at row 8, column 3 and ending at row 3, column 5.
- A factor line '4' starting at row 8, column 3 and ending at row 2, column 3.
- A factor line '5' starting at row 8, column 3 and ending at row 1, column 3.
- A factor line '6' starting at row 8, column 3 and ending at row 3, column 8.
- A factor line '7' starting at row 8, column 3 and ending at row 1, column 7.
- A factor line '8' starting at row 8, column 3 and ending at row 2, column 7.
- A factor line '9' starting at row 8, column 3 and ending at row 1, column 9.
