

A 3x4 grid of boxes. The first row contains four empty boxes. The second row contains four empty boxes, with a caret (^) symbol above the third box. The third row contains four boxes: the first has the number 3, the second is empty with a caret (^) symbol above it, the third is empty, and the fourth has the number 2. Between the boxes in the third row are comparison symbols: < between the first and second boxes, > between the second and third boxes, and < between the third and fourth boxes. The first row of the grid is not visible in this crop.
