Diagram of a 4x4 Futoshiki puzzle grid. The grid consists of 16 squares. The top row has the third square containing the number 1. The bottom row has the fourth square containing the number 4. There are four comparison symbols between rows: a downward arrow (V) between the second squares of rows 2 and 3, a downward arrow (V) between the third squares of rows 2 and 3, a downward arrow (V) between the second squares of rows 3 and 4, and an upward arrow (^) between the fourth squares of rows 3 and 4.
