Diagram illustrating a 4x4 Futoshiki puzzle grid with clues and comparison symbols:

- Row 1: Four empty squares.
- Row 2: Four empty squares. A downward arrow (∨) is between the first and second squares. An upward arrow (^) is between the second and third squares.
- Row 3: Four empty squares. An upward arrow (^) is between the second and third squares. The fourth square contains the number 2.
- Row 4: Four empty squares. The first square contains the number 2, followed by a greater-than symbol (>). An upward arrow (^) is between the third and fourth squares.
