Diagram illustrating a 4x4 Futoshiki puzzle grid with numerical clues and comparison symbols:

- Row 1: Four empty squares.
- Row 2: First square empty, second square contains the number 2, followed by a greater-than symbol (>) and an empty square, then a less-than symbol (<) and an empty square.
- Row 3: First square empty, second square empty, followed by a less-than symbol (<) and a square containing the number 2, then an empty square.
- Row 4: First square empty, second square empty, followed by a less-than symbol (<) and an empty square, then a square containing the number 2.

Comparison symbols are placed between the following pairs of squares:

- Between Row 1, Column 3 and Row 2, Column 3 (downward arrow).
- Between Row 2, Column 1 and Row 3, Column 1 (downward arrow).
- Between Row 2, Column 4 and Row 3, Column 4 (upward arrow).
