

A 4x4 grid with numbers and paths. The grid is divided into four 2x2 quadrants by a central vertical and horizontal line. Numbers are placed in the corners of each quadrant. Paths are drawn between numbers, consisting of straight and diagonal line segments. The numbers are: Top-left: 2 (top-left), 1 (top-right), 6 (bottom-right); Top-right: 1 (top-right), 4 (top-right), 8 (top-right), 9 (top-right), 9 (top-right); Bottom-left: 7 (top-left), 6 (bottom-right), 1 (bottom-left), 3 (bottom-left), 8 (bottom-left); Bottom-right: 9 (top-left), 5 (top-right), 6 (bottom-right), 2 (bottom-right), 1 (bottom-left), 6 (bottom-left), 7 (bottom-left), 8 (bottom-right).
