

A 9x9 grid with numbers and lines. The grid is divided into three 3x3 sub-grids by thick black lines. The numbers are placed in the following cells: (1,1)=2, (1,2)=7, (1,3)=4, (1,4)=8, (1,5)=6, (1,6)=3, (1,7)=9, (1,8)=7, (1,9)=8, (2,1)=5, (2,2)=6, (2,3)=3, (2,4)=8, (2,5)=9, (2,6)=7, (2,7)=8, (2,8)=4, (3,1)=2, (3,2)=5, (3,3)=7, (3,4)=9, (3,5)=5, (3,6)=1, (3,7)=4. The lines are placed in the following cells: (1,2), (1,4), (1,5), (1,6), (1,7), (1,8), (1,9), (2,1), (2,2), (2,3), (2,4), (2,5), (2,6), (2,7), (2,8), (2,9), (3,1), (3,2), (3,3), (3,4), (3,5), (3,6), (3,7), (3,8), (3,9).
