

A 4x4 grid with numbers and paths. The numbers are: Row 1: (1,1)=6, (1,2)=1, (1,3)=8, (1,4)=1; Row 2: (2,1)=2, (2,2)=4, (2,3)=1, (2,4)=5; Row 3: (3,1)=9, (3,2)=4, (3,3)=3, (3,4)=1; Row 4: (4,1)=8, (4,2)=6, (4,3)=4, (4,4)=7. Paths are shown as grey lines connecting some of these numbers.
