

# PUZZLE MADNESS

## Daily Hard Greater Than Sudoku Puzzle for Saturday 7th May 2005

A 4x4 grid of arrows on a coordinate system. The grid consists of four horizontal rows and four vertical columns, defined by thick black lines. The arrows are placed at the intersections of these lines. The symbols used are: 'greater than' (>) and 'less than' (<). In the first row, the first two columns have '>' at (1,1) and (1,2), the third column has '<' at (1,3), and the fourth column has '>' at (1,4). In the second row, the first column has '<' at (2,1), the second column has '>' at (2,2), the third column has '<' at (2,3), and the fourth column has '<' at (2,4). In the third row, the first two columns have '<' at (3,1) and (3,2), the third column has '<' at (3,3), and the fourth column has '>' at (3,4). In the fourth row, the first two columns have '<' at (4,1) and (4,2), the third column has '<' at (4,3), and the fourth column has '>' at (4,4).
